## **Dosage/Directions & Use**

### **DIABETIC EXCHANGE**

**1 Level teaspoon** = Free food exchange

**4 Level teaspoons** = 1 Fruit exchange

**ALLERGIN STATEMENT:** Sweet Infused Fruits® do not contain soy, egg products, milk products, peanuts, nuts, tree nuts (such as coconut), wheat or gluten, or seafood (including fish, Mollusks, or Crustacean).

**FRUCTOSURIA:** Persons with the rare condition Fructosuria and/or hereditary fruit sugar intolerance should consult with their physician prior to using this product, as this product contains natural fruits and fruit components.

**CRUELTY-FREE:** Sweet Infused Fruits® have never been involved in animal testing. The Sweet Infused Fruits® research team is against the abuse of animals in any format, and financially contributes to animal rights groups.

**STORAGE RECOMMENDATIONS:** As a natural sweetener, Sweet Infused Fruits™ are stable to air and heat, but are hygroscopic (absorb ambient humidity). Sealed containers should be stored in-doors under cool, dry conditions, preferably below 24 degrees C (21-29 degrees C) and a relative humidity less than 60 percent. Do not expose to humidity or direct sunlight. Caking will occur if these conditions are not met. May be kept in the refrigerator in a tightly sealed container. If caking occurs, place product in a flour sieve to re-powder and unclump.
